

November 2023

Hello from the Adult Services Committee!

Our committee wants to thank you for participating in the surveys and questionnaires we send out asking about a wide range of topics. Your thoughts, opinions and suggestions are invaluable to our agency.

After we compile the results, our committee creates a list of action items to address any suggestions, ideas, issues and/or concerns. We present the results to the Board of Directors and make the results available to everyone in the agency by sharing a summary of the results. This gives you feedback regarding the overall themes, what is most important to you, and what actions are currently being taken.

Thank you, thank you, thank you for all you do for our individuals and our agency.

Please continue to participate in the surveys and questionnaires. Your feedback is very important to us.

Sincerely,
